

Would you believe in a love at first sight?  
Yes I'm certain that it happens all the time.  
What do you see when you turn out the light?  
I can't tell you, but I know it's mine.  
Oh I get by with a little help from my friends,  
Mmm I get high with a little help from my friends,  
Oh I'm gonna try with a little help from my friends

Do you need anybody?  
I need someone to love.  
Could it be anybody?  
I want somebody to love  
Oh...  
I get by with a little help from my friends,  
I'm gonna try with a little help from my friends  
I get high with a little help from my friends  
Yes I get by with a little help from my friends,  
with a little help from my friends
